Subject: H.B. 5461

Ladies and Gentleman,

I am writing you to request all of your support for H.b. 5461 allowing issuance of titles to vehicles 20 years or older upon owners request. When I registered one of my classic cars I was heartbroken to find out they didn't issue a new title in my name as had been previously done. Without this little piece of paper it makes it very difficult to sell to another collector out of state in essence driving the value of my car down which I worked very hard to restore. I have no problem paying the fee to get a proper title issued as it would give me a certain piece of mind. Kindly consider supporting HB. 5461. Best regards -Paul
